

The USTA Junior Team Tennis program is a great way for junior players of all levels experience the thrill of competition with the support of a team environment. Each summer Kim Grant Tennis fields 4 teams that compete in the peninsula section of USTA Nor Cal's Junior Team Tennis leagues. These teams travel to a number of racquet clubs and academies in the area for matches and are each entered into a different age division.

Gender Neutral Divisions (All skill Levels)

- (10 and Under) Orange Ball Division

- (12 and Under) Green Dot Ball Division

- (12 and Under) Yellow Ball Division

Each team has its own scoring format designed to maximize the number, and type of matches for each player and help each of them contribute to the success of the team as a whole. Each year, we see the confidence and skill of each player improve tremendously from the JTT experience. Many of our High Performance started playing competitively on a KGTA team rather than individual tournaments.
